OMB Number: 0596-New

Type of Request: New

Abstract: The information covered in this request applies to caves on Federal lands administered by the Department of Agriculture, U.S. Forest Service.

The U.S. Forest Service, in accordance with the FCRPA, collects information from appropriate private sector interests, including “cavers,” in order to update a list of significant caves that are under the jurisdiction of the agencies listed above. The U.S. Forest Service also processes requests for confidential information regarding significant caves. While the FCRPA does not define what “significant” means, it does require the Secretaries of Agriculture and Interior to issue regulations that define criteria for identification of significant caves. This criteria can be found at 36 CFR 290.3. This information enables the U.S. Forest Service to comply with the FCRPA (16 U.S.C. 4301–4310).
